# Purple Light Nights®

***October is Domestic Violence Awareness Month!***

**October 6, 2016 • 4:30-6:30pm**

**Heritage State Park Visitor's Center, Holyoke MA**

Join Womanshelter/Compañeras and our special guests, the Westover Job Corps, as we light up the canal to bring awareness to domestic violence through the Purple Light Nights® campaign. Support victims who are still living through it, celebrate the survivors who have lived through it, and remember those who have lost their lives.
